### It's time to renew your CIFSC (+USFS) membership!

USFS membership runs from July 1, 2016 to June 30, 2017. If you are testing or competing this summer you will need to return your application and fees by Saturday, June 25, 2016 so that there will be no interruption in your membership. Please fill out and return all three pages of the membership renewal form, it will not be valid without pages 2 & 3 and the required signatures. Of course, you may download the forms from our webpage ([channelislandsfsc.org](http://channelislandsfsc.org)) at any time.

As I am sure you are all aware the Channel Islands Ice Center has ceased operations at the Wagon Wheel location as of April 2, 2016. The club intends to remain active while we work to relocate the rink. The board is working with other local facilities and clubs to offer test sessions and other events during the time the rink is shut down.

The Channel Islands Ice Center's board continues to explore multiple opportunities for relocation in the west Ventura County region. We will inform you as soon as a new site is secured. We have received support from all local municipalities in our efforts. Fundraising activities are continuing as well. We appreciate your continued support. We hope you will renew your membership with the Channel Islands Figure Skating Club. The Club is reducing the renewal fee for next season to \$75.00. This is less than any other local club and will continue your eligibility to participate in all USFS competitions as well as allow you to enjoy the following:

#### Benefits of Channel Islands Figure Skating Club membership:

- USFS Membership (including *Skating* magazine, etc.)
- Priority placement on test sessions.
- Free critiques in conjunction with test sessions.
- Invitation to attend our annual banquet, and other Club events.
- Once we find a new home the following policies will also resume:
- One free Club Ice session during your birthday month.
- Discount on Club Ice Freestyle Sessions {Rates: 10-session tickets: \$80 (\$8/ticket) - members; \$90 (\$9/ticket) - nonmembers; Individual ticket/walk-on rate: \$10}
- Eligibility to skate in the annual Holiday Ice Show, and more!

Our Club is run by the members and their families who volunteer their time and assistance. We appreciate your input and efforts in support of the Club and our sport.

Respectfully,

The Channel Islands FSC Board - Frank Anderson, Ela Bortels, Christi Labrenz, Sharlene Morgan,  
Robin Reitz, Janene Wasserman, Amarie Wright
